

# ST. EUPHRASIA SUMMER ENRICHMENT PROGRAM 2018

## **WORLD EXPLORERS**

### **Science, Geography, Math, and Language Arts**

This summer, we will again offer a summer school enrichment program. Last summer's program was a great success for all of the students who attended. This year we will focus on being EXPLORERS - students will imagine, create, explore, and learn about the world we live in. Students will engage in STEM activities, Cultural Geography, Robotics, Mathematics, and Language Arts.

1. The academic program will run from 8 a.m. to 12 p.m. **Total cost is \$525 per student**, which includes a \$100 non-refundable registration fee. Also included in the cost is participation in field trips and/or assemblies, as well as one summer school t-shirt (which is required to be worn on field trip days).
2. There will be academic enrichment classes in the core subjects of **math, reading and language arts** for students entering grades K to 8 in September 2017.
3. **Crafts, performing arts, science activities, and sports activities** will also be offered in an extended day program from 12 to 5 p.m., which is optional for students enrolled in the summer school program only. **The cost of the extended day program is an additional cost of \$250 per student.**
4. We will schedule 2-3 field trips and/or special school assemblies related to our theme.
5. The session will be 5 weeks and will run from June 25th - July 27th (no school July 4<sup>th</sup> in honor of Independence Day).
