Also included in the cost is participation in field trips and/or assemblies, as well as one summer school t-shirt (which is required to be worn on field trip days).
2. There will be academic enrichment classes in the core subjects of **math, reading and language arts** for students entering grades K to 8 in September 2019.
3. **Crafts, performing arts, science activities, and sports activities** will also be offered in an extended day program from 12 to 5 p.m., which is optional for students enrolled in the summer school program only. **The cost of the extended day program is an additional cost of \$300 per student.**
