2. There will be academic enrichment classes in the core subjects of **math, reading and language arts** for students entering grades K to 8 in September 2020.
3. **Crafts, performing arts, science activities, and sports activities** will also be offered in an extended day program from 12 to 5 p.m., which is **optional** for students enrolled in the summer school program only. **The cost of the extended day program is an additional cost of \$325 per student.**
