The Lord said, "Go out and stand on the mountain
in the presence of the Lord, for the Lord is about to pass by."

Then a great and powerful wind tore the mountains apart
and shattered the rocks before the Lord,

but the Lord was not in the wind.

After the wind there was an earthquake,

but the Lord was not in the earthquake.

After the earthquake came a fire,

but the Lord was not in the fire.

And after the fire

came a gentle whisper.
