

# ST. EUPHRASIA SCHOOL SUMMER ENRICHMENT PROGRAM 2023 ALL AROUND OUR WORLD

This summer, we will again offer a summer school enrichment program! Students will engage in **STEM activities, Science, Mathematics, and Language Arts.**

- The academic program will run from 8 a.m. to 12 p.m. **Total cost is \$575 per student, which includes a \$100 non-refundable registration fee.** Once school starts, there are NO REFUNDS. Also included in the cost is participation in field trips and/or assemblies, as well as one summer school t-shirt (which is required to be worn on field trip days).
- There will be academic enrichment classes in the core subjects of math, reading and language arts for students entering grades K to 8 in the fall. **All students MUST be at least 4 years of age at time of enrollment.**
- Crafts, performing arts, science activities, and sports activities will also be offered in an extended day program from 12 to 5 p.m., which is optional for students enrolled in the summer school program only. **The cost of the extended day program is an additional cost of \$325 per student.** Students may only be enrolled in the extended day program if they are also enrolled in the summer school program.
- We will schedule 2-3 field trips and/or special school assemblies related to our theme.
- The session will be 5 weeks and will run from **June 26th - July 28th** (no school on July 3rd & July 4th in observance of Independence Day).

Please register at <https://steuphrasiaschool.org/summer-school-registration/>.

**Payments received by April 28th will automatically receive a \$50 discount!**

All students must be enrolled and registration fees paid prior to the first day of school.
