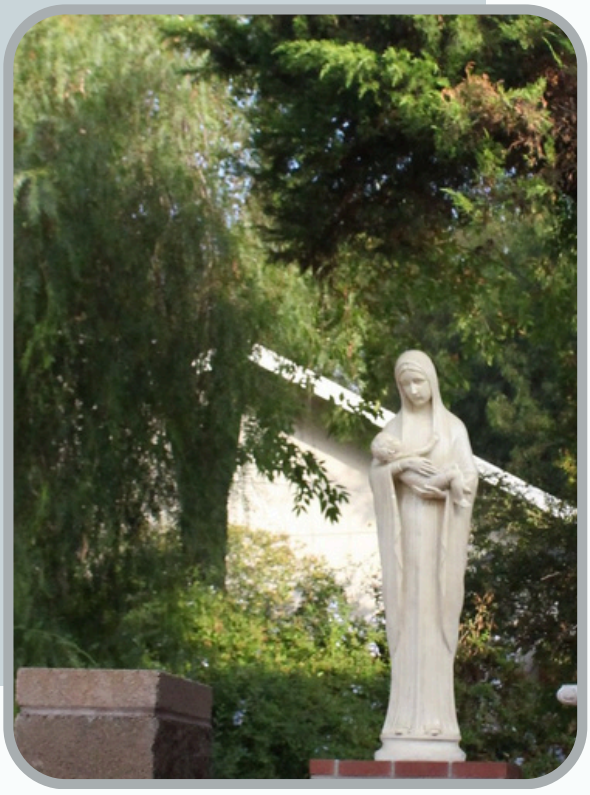
## OUR BELIEFS & DAILY PRACTICE

- Teaching children is a gift and a blessing. The St. Euphrasia School teaching staff are dedicated professionals who view teaching as a ministry and vocation.
- Each student is unique and special. We develop the whole child. Our goal is for each student to reach their potential and greatness, learning to make a difference in our world. Character and spiritual formation are emphasized always.
- During our last WCEA/WASC Accreditation, we received the highest possible rating in all twelve categories. We are viewed as a highly effective and excellent school and have been fully accredited for many years.
- Our standardized testing (STAR Testing) uses formative assessment to gauge each student's learning progress in both Language Arts and Math three times per year and over multiple years. This is a hallmark of our school - we focus on each student.



## TECHNOLOGY & CURRICULUM

- Students need to be proficient digital learners. We connect students to a variety of learning experiences, motivating them to master 21st century skills.
- We use digital devices for small group and 1:1 connectivity. Classrooms are equipped with both Android and Apple projection capability. We are a "Google Apps for Education" school.
- All students are instructed in the mechanics of digital research and formatting. Students learn to save their work to an online portfolio. Students in Gr. 6-8 learn advanced skills including digital journalism, blogging, and short movie production.
- Students receive instruction in visual arts, musical theater, and music by qualified teachers. They participate in performances throughout the year (Christmas program, spring musical, chorus at weekly Mass, local community parades and events).
- We have a librarian who helps students to love reading and a P.E./Athletic Director who ensures that all students practice health and fitness goals.

*Our Catholic Identity:*
*"With faith in Jesus,*
*we love and serve others."*

## CHRISTIAN LEADERSHIP

- Knights in Gr. 6-8 participate in a "buddy" program with TK-2 students. This contributes to a positive and nurturing school community, and builds leadership/mentoring skills in our youth.
- Our student council is comprised of students in Gr. 5-8 with a Teacher Moderator. They schedule activities throughout the year to build school spirit and raise funds for our "make a difference" projects.
- Our Student Body Officers (7th & 8th Graders) go on to take leadership roles at their high schools.
- Students in all grades participate in service learning. All Knights are taught to be 21st century leaders who make a difference! We teach students to follow the volunteer core principals of the Good Shepherd Sisters (founded by St. Euphrasia).
- Students in Gr. 5 and 8 participate in a nationally normed Assessment of Catholic Religious Education in December of each year. Through student responses, we are able to review our school climate and how students are applying the basic foundations of their faith.
